**WORLD FAMOUS MALIBU BEACH, CALIFORNIA**

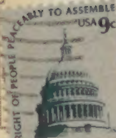

Colorful bird's-eye view from the hillside above of this beautiful seaside colony. Epitomizing Southern California living at its finest - known as the "Home of the Stars."

Connie Baby
I always think of
you whenever I'm
surrounded by
beauty! I am doing
Graduate work at
Holy Names College in
Oakland. Most of my
fellow students are orien-
tal, mainly arabians
They all look like Omar
Sharrif, so you take
it from there. must
talk to you when I
come back East in
late august, if at all
may go Far East
Love
Bill
